**FOR IMMEDIATE RELEASE
ACTION ALERT**

**SOETORO AND JARRETT
Own 'Felonies' of Clinton**

March 14, 2015 – Newsmax.com posted an article titled: “Ed Klein: Obama Administration Looking to Stop Hillary's WH Bid.” Newsmax reported:

“Veteran journalist Ed Klein said on Saturday that the Obama administration “is up to its eyebrows in efforts to stop” Hillary Clinton from running for the White House — including six investigations launched by longtime presidential adviser Valerie Jarrett involving Clinton's years as Secretary of State.

“This administration, the Obama administration, will do virtually anything to prevent Hillary from becoming president,” Klein told renowned economist Larry Kudlow on his WABC radio show. Kudlow is also a Newsmax columnist and works for NBC's business channel, CNBC.

“It's their view that if she does become president — like her husband, Bill — she will govern from the left of center and not be a true liberal,” Klein said, “and will, therefore, compromise with Republicans like Bill did when he was in office, and will undo a lot of the Obama legacy.”

However, the [American Resistance Party](#) disagrees with the above Newsmax article. It is clear that everything Hillary Rodham Clinton did and said as Secretary of State, she did and said while under Soetoro's Royal Command. **Soetoro and his Senior Advisor own everything Hillary did as a Cabinet member of the Soetoro cabal.**
