**FOR IMMEDIATE RELEASE
ACTION ALERT**

**CRUZ NOT NATURAL BORN CITIZEN:
He has "ALIEN" birth!**

March 13, 2015 – abcnews.go.com printed an online article titled, "Legal Duo Says Cruz Eligible to Seek Presidency." They report:

*"Some have questioned whether Cruz is constitutionally eligible to run for the White House because **he was born in a Canadian hospital** to an American mother. But Paul Clement, a solicitor general in the Bush administration; and Neal Katyal, former acting solicitor general in the Obama administration, write in the Harvard Law Review that Cruz meets the constitutional standard to run, in their opinion."*

"Their article comes as a crowded field of Republican presidential hopefuls is taking shape. Cruz is making a weekend trip to this early nominating state."

*"The lawyers write: "We may have different ideas about the ideal candidate in the next presidential election, but we agree on one important principle: voters should be able to choose from all constitutionally eligible candidates, free from spurious arguments that a U.S. citizen at birth is somehow not constitutionally eligible to serve as president simply because he was **delivered at a hospital abroad.**"*

*"Cruz has renounced his **Canadian citizenship**; he possessed **joint citizenship** before."*
