GEORGE SOROS GROUPS Behind the Baltimore Riots

April 29, 2015 – Constitutional patriot Robert Gorgoglione forwarded us this article titled: **“Soros Group Advocates Violence Against Cops in Baltimore - Foundation played role in agitating demonstrators during Ferguson protests”**

www.infowars.com/soros-group-advocates-violence-against-cops-in-baltimore/

The article reports, "Social media pages run by the George Soros-founded Open Society Foundations appeared to justify violence in Baltimore, in particular against police."

And they say, "The Open Society Foundations, chaired and founded by Soros, was found to have contributed at least \$33 million towards emboldening activists in Ferguson, Missouri, helping make the flawed "Hands up, don't shoot" mantra ubiquitous."

Alex continues to exhaustive coverage of the Baltimore riots as troops begin entering the city to impose a curfew and perhaps even martial law. Rioters have burned at least 15 buildings and have injured 15 cops as well as reporters. Matt Drudge warned that America could fall in the aftermath of the Baltimore riots. Simply put, the ultimate threat to humanity is looking at us in the mirror. See these additional following BALTIMORE RIOT REPORTS:
