awake to a sense of your awful situation

**FOR IMMEDIATE RELEASE
ACTION ALERT**

FEDERAL RESERVE'S \$15 Trillion Gold Ponzi Scheme

April 22, 2015 – Stage2Omega.com posted an article written by Benjamin Fulford on April 20th 2015 titled: “US Corporate government goes bankrupt on April 17th, refuses to acknowledge.” They quote Fulford:

“The UNITED STATES OF AMERICA CORPORATION based in the Washington D.C. extra-territorial enclave inside the Republic of the United States of America failed to make a payment on March 31st and was given until April 17th to come up with the goods but was unable to, according to Chinese government and CIA sources. For that reason the US corporate government has gone bankrupt, the sources say. However, the folk in Washington do not plan to go quietly and are still fighting to survive.” **Read more at Stage2Omega.com**

Fulford also ties this in with the massive Ponzi scheme that the FED hatched up in 2008 by quoting/posting Lord Blackheath’s 2012 Parliament speech by saying:

“What Lord Blackheath discusses is the use of 700 tons of gold owned by an Indochinese royal to fabricate 750,000 tons worth of gold backed certificates that were used to create \$15 trillion that was used to bail out the Federal Reserve Board after the Lehman crisis of 2008.”

The [American Resistance Party](http://AmericanResistanceParty.com) condemns the Federal Reserve Bank as a vile international bankster cabal.
