FEDERAL COURT Clueless on 2nd Amendment Rights

August 29, 2015 – There has been public outrage from an unconstitutional ruling from the 7th U.S. Circuit Court of Appeals that said criminal illegal aliens “living in the United States illegally” share in the Second Amendment right.

The jackass three-judge panel said criminal illegal alien defendant was among “the people” cited in the Constitution and thus would be granted the right “to keep and bear arms”.

Apparently the morons on the Federal Court bench have never read the Preamble (“We the People of the United States**”) or the 2nd amendment:**

Amendment 2 - Right to Bear Arms. Ratified 12/15/1791.

A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed.

10 U.S. Code § 311 dictates that the right to bear arms is coupled with the obligation to be part of the local militia.

(a) The militia of the United States consists of all able-bodied males at least 17 years of age and, except as provided in section 313 of title 32, under 45 years of age **who are, or who have made a declaration of intention to become, citizens of the United States and of female citizens of the United States who are members of the National Guard.** (b) The classes of the militia are - (1) the organized militia, which consists of the National Guard and the Naval Militia; and (2) the unorganized militia, which consists of the members of the militia who are not members of the National Guard or the Naval Militia.

The right for illegal aliens to bear arms has NO basis in law or in the Constitution.
