**FOR IMMEDIATE RELEASE
ACTION ALERT**

24 STATES Support lawless amnesty decrees

February 20, 2015 – William Gheen, President of Americans for Legal Immigration PAC's (**ALIPAC**) has issued a National Press release condemning 12 governors that are either criminally ignoring the crimes or are collaborating with Mr. Barry Soetoro (aka BHO) in Soetoro's latest unconstitutional power grab to allow illegal aliens like himself to enter the United States without lawful permission. Mr. Gheen requests the following help:

*"An activism based Political Action Committee that has been at the center of efforts to stop illegal immigration and any form of amnesty for illegal immigrants has asked its national network of supporters to begin contacting the **Governors of the 12 states that are neutral and the 12 that are supporting Obama's lawless amnesty decrees!**"*

The **American Resistance Party** stands with Mr. Gheen in this matter to combat the lawlessness of the many unconstitutional decrees.

However, all 50 state governments are now lawless and unconstitutional occupying forces. Since there is an illegal alien squatting in the white house, none of the officials and judges have any constitutional authority for any of their fraudulent actions and have betrayed the people and our constitution for power and money.

Any public official who votes for any legislation (as the above lawless amnesty scam) not authorized by the Constitution are traitors, as is the illegal alien who signs the offending unconstitutional legislation.
