**FOR IMMEDIATE RELEASE  
ACTION ALERT**

## **300 MARINES TRAPPED BY ISIS: Heavy fighting reported**

**February 12, 2015 – A news alert has been received from [Patriotaction.net](http://Patriotaction.net) reporting that 300 U.S. Marines could be trapped by ISIS.**

*“This is a story with various reports flying from multiple directions and it's hard to get a grasp on exactly what's happening. What we know at the moment is that ISIS is claiming it has seized control of the al-Asad air base in the Ramadi area of Iraq. According to multiple twitter feeds the Iraqi army has lost contact with its people inside the base. From what we can tell the **300 Marines are on location to train Iraqi military.**”*

*The Pentagon is pushing back on these initial reports about al-Asad. According to the Pentagon ISIS is initiating attacks against the base, but the heaviest fighting is happening approximately 5-10 miles away in al-Baghdadi.*

*A Reuters report on the situation claims the heavy fighting in al-Baghdadi is much more significant than the Pentagon is letting be known. In fact, Reuters says al-Baghdadi is now in complete control of ISIS. The same report references claims from intelligence sources that say al-Asad has been attacked but so far the attack was unsuccessful.”*
