A few days before the November 2012 presidential election, a representative from this same Jarrett's office quoted her as having told several senior staffers:

"After we win this election, it's our turn. Payback time. Everyone not with us is against us and they better be ready because we don't forget. The ones who helped us will be rewarded, the ones who opposed us will get what they deserve. There is going to be hell to pay. Congress won't be a problem for us this time. No election to worry about after this is over and we have two judges ready to go."
