**FOR IMMEDIATE RELEASE
ACTION ALERT**

**BARRY SOETORO (AKA BHO)
Is Not A U.S. Citizen**

February 21, 2015 – Email received from Jon Mooers:

**To:
John S Miles, Atty. for Plaintiffs, Ed Noonan et al**

Good to talk to you last Thursday. Thanks for listening patiently to my data dump on Obama's non-eligibility to be a Constitutional president.

I have read thru your very thorough petition now before the US Supreme Court to have those "supremes" hold the California SOS (Secretary of State) accountable for dereliction of duty in flat-out refusing to ensure ballot integrity in 2012 by first vetting Barry Soetoro. <http://www.westernjournalism.com/california-supreme-court-considers-presidential-eligibility-requirement-case/#qZVSPBqEwxAdtIJv.97>

This dereliction of state duties is similar to what has occurred in Alabama and other states.

So let's see, the leading oath-taking tax-taking election officer of each state should possess integrity to protect We the People and vet all presidential candidates to ensure ballot integrity before We vote, however, all 50 SOS's claim it is not their duty to do so!

The state colleges of Electors can not be expected to do this vetting as they simply vote their party line nowadays (with any original checks and balances removed?), the innocent voters can not possibly do the vetting because they are just supposed to vote (at least the ones who will come out and vote), the Founding Fathers insisted that Congress not mess with selecting a new President because their motives are too self-serving and politically saturated, and it is 100% irresponsible to let either national Party be in charge of any "presumable" vetting (as we saw at the DNC on AUG 28, 2008 with Treason Queen Pelosi et al that such unbiased vetting will not occur!).

So, it looks like NO ONE IN AMERICA IS RESPONSIBLE FOR VETTING ANY PRESIDENTIAL CANDIDATE BEFORE ANY GENERAL ELECTION! This is insanity! So we are supposed to wait for after an election and risk social discord by having Congress vet any questionable candidate, yet we can see real world evidence that when faced with this exact vetting situation from 2008 to the present time, Congress will not do this vetting no matter how many times tax-paying Citizens demand they do!

All talk and no shock will never vet Barry Soetoro, so all I can think of is to refuse to be complicit with a syndicated-dereliction-of-duty by national SOS-Congress-Courts and with-hold sending federal tax payments to Congress until after every single legal American Citizen secures the full identity of Barry Soetoro from Congress!? GOD HELP AMERICA!

WHO WOULD SURRENDER THEIR MIND TO THIS FARCE MAJEURE?! - J Mooers 2013

Who is accountable for running our nation?

Thanks for listening,

Mr. Barry Soetoro is not a U.S. Citizen - - he has not proved in a court of law that he has ever been a U.S. Citizen. He hides from the truth and deceives the American people.
