**FOR IMMEDIATE RELEASE
ACTION ALERT**

MR BILDERBERG SOROS Takes Control of Internet

February 26, 2015 – On 06/02/2011 World Net Daily (WND) printed an article titled, “Soros-funded, Marxist-led group pushes Net control.” Since then most Amerikan debt slaves just rolled over and went back to sleep. Today, 2-26-2015, Soros has spent \$200 million to gain complete control of the internet. He has done so by using his control of his illegal alien stooge, Barry Soetoro. The 2011 WND article warned:

"The Federal Communications Commission colluded with a George Soros-funded, Marxist-founded organization to publicly push a new plan to regulate the Internet under the government's "net neutrality" program, according to just released documents.

The shock material was released in response to a Freedom of Information request from Judicial Watch, the public interest group that investigates and prosecutes government corruption."

And today Newsmax reported, “Net neutrality is set to be approved by the FCC Thursday. Under the proposed rules, Internet service would be treated like a utility. It is currently treated like an information service, according to rules passed under the George W. Bush Administration.”

The [American Resistance Party](#) declares that the FCC has no such authority to legislate new laws concerning the internet.
