GLOBALIST TEN POINT PLAN To Destroy America

July 03, 2015 – Posted today: The Globalist Ten Point Plan to Destroy America -
By [Common Sense](#)

Here are the 10 points excerpt mentioned within the report:

The Order of Things to Come

“One does not need to be Nostradamus to see what is coming our way. Without divine intervention, America is doomed. When one spends anytime analyzing the actions of the globalists and their minions, the future of things to come is easy to determine because we have insight into their play book.

We are in the midst of following a well-scripted plan:

1. The destruction of the economy of the United States through the passage of **devastating free trade agreements** and the credit swap derivatives bail-outs.
2. **The destruction of the Constitution** and any semblance of civil liberties in a post-9/11 country (i.e. combating the orchestrated terrorist threat through the NDAA, Executive Order 13603, the creation of the TSA and DHS, the John Warner Defense Act, etc.).
3. The **destruction of America's Christian heritage** through the murder of 60 million babies, the legalization of gay marriage and the proliferation of anti-Christian lifestyle in the media.
4. The implementation of false flag events designed to increase the depth and breadth of the police state (e.g. 9/11, Boston Marathon Bombing, etc.) as well as the **demonizing of good Americans as domestic terrorists** (e.g. former Ron Paul

supporters, Second Amendment supporters, Constitutionalists, Libertarians, Bible-believing Christians, etc.).

5. Precipitating false flag events designed to hasten martial law (e.g. economic collapse) and we see the **introduction of Jade Helm**.

6. The purposeful **weakening of the American military** (e.g. the firing of 260 command military officers, the reduction of the American military to pre-World War II size, etc.).

7. The **extraction of political dissidents** (i.e. anyone who opposes the unfolding of banker tyranny through the use of Special Operations Forces involved in Jade Helm).

8. The **roundup of millions of Americans** who may not be on board with their enslavement.

9. **Re-education and genocide**.

10. **Russian Invasion** of a weakened United States through a three-pronged attack.

A. Invasion of a compromised Alaska (Part one of this series).

B. Invasion of Canada and the Northern United States emanating from the Russian military build up in the North Pole. (Today's part two of this series).

C. A Red Dawn invasion of the American Southwest and Southeast. (Part three of this series).

In today's part two, a second Russian military front, that will come against the United States, is examined. The second prong of the Russian strategy to attack will come from the North Pole where the Russians have already stockpiled significant military assets..."

In addition, the American Resistance Party reminds the party faithful that China has a stronghold in the Panama Canal and throughout Central and South America. Russia has a secondary stronghold in Cuba, and various countries throughout South and Central America. IT DOES NOT LOOK GOOD. We are surrounded and do not know it!
