**FOR IMMEDIATE RELEASE  
ACTION ALERT**

**90 SECONDS AWAY  
From Doomsday Event**

July 11, 2015 – (Definition) **Doomsday: "A time or event of crisis or great danger."**

Somewhere and sometime every day, DOOMSDAY happens to someone, somewhere on earth. Are you ready for when a "doomsday" happens to you? It could be a flood, an earthquake, a volcano, or personal or family sickness.

To be prepared, the first rule is don't be broke! If you are, then are you broke because you have debt, or because you have no job or limited employment? Fix that first. Get out of debt. Get a second job or both. Whatever it takes to get above water is your first task. You will probably have to reject many of society's current drains on income. That means no cable, buying the cheapest possible phone and phone plan

you can buy, never eating fast food, stop drinking alcohol and smoking, cancel magazines, make your own meals from scratch, Stop trying to compete with your friends on your possessions. That means stop buying "stuff" - furniture, cars, clothes, etc. Move to a cheaper place, drive a cheaper car, buy clothes at Goodwill, etc.

The next is to LEARN AND PREPARE. Click on image to left for a start on your prepper education.
