**FOR IMMEDIATE RELEASE
ACTION ALERT**

CA GOV BROWN, LT GOV NEWSOM Accused of Murder

July 07, 2015 – The American Resistance Party accuses California Governor Edmund Gerald "Jerry" Brown Jr. and Lt. Governor Gavin Christopher Newsom of the crime of first degree felony murder. Both of these accused murderers ushered in the illegal alien "2013 Trust Act" after long careers of allowing illegal aliens free entry, and movement within the borders of the State of California and all cities therein.

breitbart.com just posted an article stating that, "Five-time deportee, seven-time convicted felon Juan Francisco Lopez-Sanchez said in a new interview Sunday with a local ABC News affiliate that he came to San Francisco because he knew the sanctuary city would not hand him over to immigration officials."

The American Resistance Party declares that the murder last week of Kathryn Steinle lies at the feet of the murdering co-conspirators Brown and Newsom.

"Edmund Gerald "Jerry" Brown Jr. is [sic supposedly] an American attorney, politician and member of the Democratic Party who has served as the 39th Governor of California since 2011, having previously served as California's [sic failed] 34th Governor from 1975 to 1983." (wikipedia)

Brown also was an ineligible Attorney General.

"Charges were made against Brown prior to his election as CA Attorney General that he was ineligible to run for attorney general because the California Code disqualified any attorney that was not qualified to practice before the California Supreme Court. Brown was "...ineligible to practice law because of his voluntary inactive status in the State Bar of California from January 1, 1997 to May 1, 2003, he was nevertheless still admitted to practice." (wikipedia)

"Plaintiffs claimed Brown did not meet eligibility according to California Government Code § 12503, "No person shall be eligible to the office of Attorney General unless he shall have been admitted to practice before the Supreme Court of the state for a period of at least five years immediately preceding his election or appointment to such office." (wikipedia)

And then as Governor, Brown sided with the illegal alien Barry Soetoro (aka BHO) and opened the California borders wide open:

"The 2013 "Trust Act," signed by Gov. Jerry Brown, gave California cities like San Francisco more leeway in deciding whether to comply with immigration authorities."

One of Brown's Marxist cronies was Gavin Newsom who was the former mayor of San Francisco and Newsom did all he could to promote SF as a "SANCTURARY CITY and welcomed in any and all criminal illegal aliens."

Wikipedia states, "Gavin Christopher Newsom is an American politician. He is the 49th and current lieutenant governor of California, after being elected in 2010 and re-elected in 2014."

The [American Resistance Party](#) also accuse both Brown and Newsom for being active in promoting Sodomite marriage all throughout their sordid political careers.

The citizens of the State of California voted to change their California Constitution which now contain the words:

CALIFORNIA CONSTITUTION - ARTICLE 1 DECLARATION OF RIGHTS

SEC. 7.5. Only marriage between a man and a woman is valid or recognized in California.

Brown also was the Attorney General of the State of California that refused to uphold the US Constitution when Barry Soetoro, aka BHO was challenged for not being qualified to hold the office of POTUS. Mr Soetoro was born of a foreign national and BOTH parents were not citizens of the United States.

To see the absolute corruption of the government (and courts) watch the YouTube video where the Federal Court declares that NO ONE HAS STANDING. This applies to forced compliance to accepting illegal aliens, sodomite marriage, and even having an illegal alien installed as POTUS by the powers that be. See:

<https://www.youtube.com/watch?v=beld1kWG0w>

Watch the Federal Justice at about 11:20 in the video when she says, "...what you're really saying is that anybody ought to be able to bring this case, but unfortunately that's not the law...what I am trying to say is how are you different than anyone else?"

It is clear that this Federal Judge does not know or understand the 1st Amendment which says that it is a God-given right for every citizen to have the **"right of the people... to petition the Government for a redress of grievances."** All citizens are SOVEREIGN!

But the courts are saying..."citizens must accept illegal aliens, sodomite marriage, or a non-citizen as POTUS" and we have no right to petition the Government for a redress of grievances! However, the [American Resistance Party](#) says....RESIST!
