## **ALAN CARUBA: "Israel Will Attack Iran Soon"**

July 16, 2015 – Alan Caruba stated in a reprint of [whatamimissinghere.com](http://whatamimissinghere.com), "I truly believe that Israel has finally decided that it has no choice, but to try and stop, or at least slow, the Iranian nuclear program. The recently-concluded Obama deal was much worse than they expected, particularly with regard to the lifting of the international arms embargo, and the lifting of the ban on missile technology. I believe that Israel will certainly not attack, while Congress is debating the 'merits' of this Obama deal, **but would expect them to strike sometime right before or right after the recently purchased Russian surface-to-air missiles are delivered and installed.**"

Netanyahu drew a red line on his prop while urging the UN community to stop Iran before it reached a final stage of nuclear enrichment.

In this 2012 speech, Israeli Prime Minister Benjamin Netanyahu said the following to the UN, "The relevant question is not when Iran will get the bomb. The relevant question is at what stage can we no longer stop Iran from getting the bomb.."

**Israel now has no choice except to attack Iran and stop their bomb building. And hopefully Israel's attack will come before Iran attacks the U.S. (as they promise).**
