GRASSROOTSACTION: "Sign The Petition Supporting Kate's Law!"

July 18, 2015 – The [American Resistance Party](#) received the following email from [grassrootsaction.com](#) asking us to sign their petition "to support Kate's Law." Edward C Noonan, Founder and National Committee Chairman did so. He asks all patriots to do likewise. [grassrootsaction.com](#) states the following:

Bill O'Reilly is still leading a national movement to pass "Kate's Law." During his "Talking Points" segment on Wednesday night, O'Reilly said:

"Every sane person knows that gunning down an innocent 32-year-old woman on the street is an act of pure evil. Yet, there are many Americans who will not act to prevent that kind of evil from taking place."

The perennial cable-news ratings champ called out a "compliant" media and government officials in sanctuary cities like San Francisco, where Kate Steinle's murder took place, for enabling evil:

"The sanctuary city policy is supported by people who believe that poor illegal immigrants should not be held accountable for violating U.S. Immigration law. That's what this is all about. Folks cloaking themselves in compassion thinking they are being humane to the poor who want better lives. But in the process they totally ignore the danger of an unsecured border and that danger is clear. ... There comes a point where people get the government they deserve. That has surely happened in San Francisco. The ultra-left controls the city and an innocent woman, Kate Steinle is dead because of policies that endanger the public. You would think those people would rethink their insane ideology but they will not. They will never admit a mistake."
