July 21, 2015 – POW's Say John McCain Is A Lying Skunk !!!!!
<http://www.informationclearinghouse.info/article35132.htm> (2008)

“McCain’s own tale of his torture and the confession he recorded for the North Vietnamese comes largely from his book Faith of My Fathers, in which he describes his shame at cooperating with the enemy. But some of McCain’s fellow prisoners, who were tortured and did not collaborate, have challenged his narrative, expressing their belief that McCain was not physically abused at all and that he was well treated. Others who were also in the prison camp dispute that claim. But by McCain’s own account he may have begun cooperating with the North Vietnamese within three days of his capture and was fully on board within two weeks, providing specific intelligence on his aircraft carrier, its aircraft, and the support vessels attached to it, information that was later featured in North Vietnamese radio broadcasts. One account that appeared on a wire service entitled “PW Songbird is Pilot Son of Admiral” reported that McCain may have gone beyond an acceptable level of collaboration in assisting the psychological warfare offensives aimed at American servicemen: “The broadcast was beamed to American servicemen in South Vietnam as a part of a propaganda series attempting to counter charges by U.S. Defense Secretary Melvin Laird that American prisoners are being mistreated in North Vietnam.””
