JADE HELM & 'Re-branding authoritarianism'

June 12, 2015 – The [American Resistance Party](#) declares that the NSA has hacked all current military and veteran records and blamed it on the Chinese. With the vast computer spying of the NSA, they want us to believe that they allowed the Chinese to steal veteran's data for nearly ONE YEAR and DID NOTHING ABOUT IT! Else the NSA is so stupid that the Chinese ran rings around the National Security Agency (NSA).

The current 2015 Bilderberg cabal state that one of their topics will be, "Re-branding authoritarianism in anticipation of the coming economic collapse." The NSA is one of the puppet organizations of the Bilderberg cabal. DHS/NSA consider veterans to be terrorists and 62 million rounds of ammo has been purchased for upcoming clashes!

J. David Cox, president of the American Federation of Government Employees state of the Chinese's (NSA) hack-attack, "The union believes the hackers stole military records and veterans' status information, address, birth date, job and pay history, health insurance, life insurance, and pension information; and age, gender and race data..."

And he is quoted, the Chinese (NSA) "stole military records and veterans' status information, address, birth date, job and pay history, health insurance, life insurance, and pension information; and age, gender and race data..."
