## **THE DONALD MESSIAH? Commentary by Dwight Kehoe**

**June 18, 2015 - Dwight Kehoe a Tea Party Advocate (TPATH) posted an article titled, "THE DONALD MESSIAH?" He writes:**

*"Hold on everyone, I need to make a couple of things very clear before I start. First I am not equating Donald Trump to any level of deity. We use the word messiah in a contextual meaning as opposed to that of Our Lord and Savior. Second, this is not an endorsement of Mr. Trump.*

*Not yet anyway.*

*There is way too much time left and way too much to learn about the other candidates. Notice I said "the other candidates". That is because Mr. Trump has been around for decades. He has been an open book and has never failed to not just take a stand but to stand for his take. It is the other candidates that we need to know more about. Remember if you want to know what a politician*

*thinks, don't listen to what he says. There is rarely an accurate correlation there. You need to take a look at what he has done. The American people need to take a look at what all those with their hat in the ring have done. Granted, a few have thus far performed well. Scott Walker for one. But he too seems to have several pieces of ragged baggage which need some shaking out.*

*So let's discuss Trump in terms of what he is and what he has done. When we think about what he has done and how successful he has been, one need not spend much time researching it. He tells us all the time. More on that in a few minutes. But what he is, is what is important. He is ruthless, he is honest and he is a brilliant Patriot who loves this country with a passion not seen since Ronald Reagan.*

*You will be seeing stories about how Trump has gone bankrupt and has filed Chapter 11 on several occasions. This, those who are now lining up against him are saying, is proof he can't handle the American economy. The truth is, Trump himself never went bankrupt. Only certain projects went into one form of Chapter relief or another. This was a legal use of the law employed by Trump to get more funding for his projects. This money did not come from taxpayers like all those failed "green" policies of Obama. Trump forced crony capitalists to part with piles of cash they were sitting on to help his projects. This maneuver was very complicated but it boiled down to this. He forced them to invest more or lose all. In other words, a deal they couldn't refuse.*

*Speaking of those lining up against Trump, what better endorsement could any candidate have then to be opposed by the likes of RINO Karl Rove and ex-Democrat and Jeb Bush loving Charles Krauthammer?*

*Trump has shown his stones many times over the years, not just in "Art of the Deal", but he has never backed down on statements he has made. For instance he refused to fall in line with the spineless politicians and the corrupt media when Obama released a forged birth certificate. And speaking on that subject there are a few seeking the White House who are as ineligible as Obama.*

*This country finally has a chance to elect a real CEO to run the largest financial entity the world has ever seen instead of yet another know nothing, incompetent politician, with debts and promises to repay. Mr. Trump may hold that golden key to a messianic opportunity to stop the impending disaster of total financial and civil collapse.*

**Trump can and will do it.  
No politician can or will do it."**

[end quote]

**The [American Resistance Party](#) states that even though Mr. Trump would make a mediocre POTUS, he cannot EVER overcome the Constitutional crisis that has befallen this nation. We have had two UNELIGIBLE thugs in the white house that were not citizens of the United States (Chester Arthur and Barry Soetoro). Trump has come the closest of all the POTUS 2015 candidates but still, he has made no effort to question the eligibility of Jindal, Rubio, Cruz and Santorum. HE DOES NOT KNOW OR UNDERSTAND THE U.S. CONSTITUTION.**
