ISLAMIC STATE Declares War on America

June 03, 2015 – The [American Resistance Party](#) downloaded a Muslim publication called “**A Brief Guide to the Islamic State [2015]**” It was written May 16, 2015 by British jihadi Siddhartha Dhar, who now goes by Abu Rumaysah al-Britani. In this declaration of War (A war that is supposedly to start in America on June 29th) he states at the very last sentence:

When we descend on the streets of London, Paris and Washington the taste will be far bitterer, because not only will we spill your blood, but we will also demolish your statues, erase your history and, most painfully, convert your children who will then go on to champion our name and curse their forefathers.

The [American Resistance Party](#) believes this is a declaration of war by most of the Muslim world and the “Islamic State” (aka ISIS) must be brought under control.
