**FOR IMMEDIATE RELEASE
ACTION ALERT**

MEXICO FIRES ON U.S. Border Patrol

June 05, 2015 – [newsmax.com](http://www.newsmax.com) posted on May 27th an article titled, “Mexico Fires on Border Patrol.**” They report:**

“When one country crosses another’s sovereign border and launches an assault on that country’s citizens, it usually grabs headlines because such action is typically viewed as an act of war.

Apparently this is not the case when the Mexican government acts aggressively toward its U.S. counterparts along the southwestern border.

*Based on documents obtained from the U.S. Customs and Border Protection (CBP), Judicial Watch has uncovered the details of an incident on June 26, 2014, in which a **Mexican government helicopter crossed into U.S. airspace and opened fire on U.S. Border Patrol personnel located in a clearly marked position.** The CBP documents were released in response to a July 9, 2014, Judicial Watch Freedom of Information Act (FOIA) request.”*

The [American Resistance Party](http://www.americanresistanceparty.org) declares the following... This Mexican Government helicopter was either a poor shot, or else they turn and ran as soon as the border agents turned around and no longer had their backs to the agents. The Mexicans are clearly cowards!
