## **LISA HAVEN: Something Big and Bad Is About To Happen**

**June 24, 2015 – The [American Resistance Party](#) has just received a post from patriot [Lisa Haven](#). It was titled, “**Something Big and Bad Is About To Happen**.” She says:**

*“Have you ever had a gut feeling that something big and possible bad is right around the corner? If you have, you’re not the only one! The feeling seems to be in the air. We know it, the elite know it, the pentagon knows it, and even our military knows it.*

*I believe a great evil is about to befall not only our nation, but the entire world. Something major is unfolding and*

*everyone knows it. The economy is unstable, the world is on the brink of war, the elite are running to their bunkers, and governments are planning for mass civil breakdown. Far too many things are on the forefront and one must ask themselves, “What the heck is going on?”*

*I HIGHLY encourage you to watch the video (to the left) in its entirety. This is probably one of the most important videos I’ve done because it shares what I believe could play out in the very NEAR future and I use sources and government documents to back up my claim. This is one video you don’t want to miss...”*
