IG REPORT: TSA OK'd 73 Employees With Terror Ties

June 09, 2015 – newsmax.com posted an article yesterday titled, “IG Report: TSA OK'd 73 Employees With Terror Ties.” In this post they reported:

“This report also comes about a week after TSA administrator Melvin Carraway was reassigned by Homeland Security Secretary Jeh Johnson following media reports that TSA did not detect mock explosives and weapons 95 percent of the time when tested by undercover agents.”

thecommonsenseshow.com stated in 2013 the following of Jeh Johnson, “In a March 2013 speech, Johnson asserted that the pPresident (illegal alien) “alone” has the power to deploy troops and take military action – completely ignoring the role of Congress as enshrined in the Constitution.”

“Let’s not lose sight of the reality that in this country *we have...entrusted the President (illegal alien) with awesome powers and responsibilities as Commander in Chief; he controls the nuclear arsenal and he alone has the authority to use it*; he alone has the constitutional authority, with certain limits, to deploy thousands of men and women in the U.S. military into hostilities on the other side of the world.”

The [American Resistance Party](http://www.americanresistanceparty.org) declares that as long as the American people allow an illegal alien (aka non-U.S. citizen) remain as POTUS, then they are each responsible for the carnage that future terrorists will most absurdly commit on our soil.
