**FOR IMMEDIATE RELEASE  
ACTION ALERT**

## WRIT OF MANDAMUS Posted to the NLA website

May 29, 2015 – [Harry Riley](#), Founder of the 2014 Operation American Spring posted today the following alert: "...For those of you interested in [Jade Helm 15](#), here is a link to a [Writ of Mandamus posted to the NLA website](#) yesterday. As is usually the case, the paper is very well written in my opinion, and has been claimed to be delivered by Fax to all of our elected government officials at Federal and State level."

### MARTIAL LAW

The purpose of this Mandamus is to warn all elected and appointed servants concerning their conscious or unconscious participation in the methodical destruction of the ordained Government of the United States, by ~~the~~ the People, whereas martial law is for the controlling of occupied nations.

40 **Martial law**<sup>3</sup> is the imposition of the highest-ranking military officer as the military governor or as the head of the government **THUS REMOVING ALL POWER FROM THE PREVIOUS EXECUTIVE, LEGISLATIVE AND JUDICIAL BRANCHES OF GOVERNMENT** in violation of United States Constitution Article IV Section 4 guaranteeing to every state in this union a republican form of government, and protection against invasion, thereby "**AN ACT OF WAR**" against ~~the~~ the People. All  
45 participants of such an act will be tried for treason.

*"Martial law is an extreme and rare measure used to control society during war or periods of civil unrest or chaos. According to the Supreme Court, the term martial law carries no precise meaning" -- Duncan v. Kahanamoku, 327 U.S. 304, 66 S. Ct. 606, 90 L. Ed. 688 [1946].*

50 ~~the~~ the People in order to prevent an overthrow of our government delegated powers to three branches under the Constitution, see Articles I, II, and III, not the military, nor can delegated powers to elected servants to be legislated or given away to another entity.

~~the~~ the People approved "ONLY" the following powers, defined in our previous writ Quo Warranto;

- 55
- 1) Legislative power to two houses of Congress, see Article I
  - 2) Executive power to the President, see Article II
  - 3) Judicial power to One Supreme Court and United States District Courts, see Article III

Any act to remove power from any State and or Federal Governments of ~~the~~ the People of the United States of America and give it to the Military, would be an act of war.

### Lines 68-77 state:

"As previously stated the institution of martial law contemplates use of military force and transfers all government authority to the military in which the Constitution including the right of Habeas Corpus would be suspended is an ACT OF WAR AGAINST THE UNITED STATES OF AMERICA; should such a treasonous act occur We the People order the State Legislators and/or the Governors of every free and sovereign State to act swiftly and call forth the militia through *posse comitatus* to suppress such a military insurrections and/or repel such a foreign troop invasion;"

"Any attempt by Congress or the Executive Branch to use military, foreign or domestic, forces against the People to bring them under martial law is an act of treason, war against the People. We the People will be dependent upon the Sheriffs within our counties to secure the peace by any means necessary, seeing that congress has been negligent in providing for the militia."
