DAVID HOROWITZ: 'Shut Up About the Birth Certificate'

May 12, 2015 – [Dr Kate](#) posted a video (5-11-15) titled “*Conservatives and Leftist Socialist Radicals*” which was merely a YouTube video with David Howowitz rambling on about Woodstock and the 1960’s. Edward C Noonan, the Founder and National Committee Chairman of the [American Resistance Party](#) left the follow comment:

Mr. Horowitz can take a flyin’ leap as far as I am concerned. He stinks from the Marxist cesspool that he formerly has crawled out of. Here is what was written about him back in 2008:

“On Monday, the Supreme Court decided not to hear the Donofrio case concerning whether Barack Obama is a natural born citizen and therefore qualified to be President. Also, David Horowitz diagnosed those who claim Obama is not natural born as being afflicted with “Obama Derangement Syndrome.” Horowitz told people to “shut up about the birth certificate.””

It is also reported:

“Mr. Horowitz whizzes right by the issue of whether or not Obama is Constitutionally qualified. He simply says it doesn’t matter. He asked,

“What difference does it make to the future of this country whether Obama was born on U.S. soil?””

It is my opinion that in your posted video Horowitz is AWOL from most of the current issues of today. Instead, he lingers in the 1960’s and hides from discussing anything that would/could matter. Woodstock is NOT a current world event!
