**ALEX JONES:
"Something Big Is About To Happen!"**

May 21, 2015 – Lisa Haven has published an online article today titled, "Alex Jones: "Something Big Is About To Happen!" She states:

"Have you ever had a gut feeling that something big and possible bad is about to happen? If you have, you're not the only one! In the video below alternative media giant Alex Jones shares his gut feeling about what could be coming! Here is what is stated in his youtube commentary:

"Scientists have proven that humans and animals can sense events and energy sources that are beyond the reach of the five senses. Alex Jones' sixth sense has been going off in recent weeks and he wanted to take some time to share what he has been going through mentally and call for a discussion of what the future has in store in for all of us."
