**FOR IMMEDIATE RELEASE
ACTION ALERT**

SOETORO: 20 Trillion Dollar Traitor

November 2, 2015 – www.washingtontimes.com printed an article today titled, “\$20 trillion man (traitor): National debt nearly doubles during Obama presidency (Soetoro) occupation.” They report:

“When ~~President Obama~~ (Soetoro) signs into law the new two-year budget deal Monday, his action will bring into sharper focus a part of his legacy that he doesn’t like to talk about: He is the \$20 trillion man (traitor).

Mr. Obama’s spending agreement with Congress will suspend the nation’s debt limit and allow the Treasury to borrow another \$1.5 trillion or so by the end of his presidency in 2017. Added to the current total national debt of more than \$18.15 trillion, the red ink will likely be crowding the \$20 trillion mark right around the time Mr. Obama leaves the White House.

When Mr. Obama took over in January 2009, the total national debt stood at \$10.6 trillion. That means the debt will have very nearly doubled during his eight years in office, and there is much more debt ahead with the abandonment of “sequestration” spending caps enacted in 2011.”

The [American Resistance Party](#) declares that Soetoro is a traitor and has not a single ounce of authority to sign any bill to increase the National debt by a single penny. Soetoro needs to be marched up to a wall, blindfolded and then shot by firing squad.
