NAPLES DAILY NEWS Hides from Electronic Forgeries

November 30, 2015 – Jonathan David Mooers wrote to the NAPLES DAILY NEWS:

letters@Naples Daily News,

1. Thank you for getting back to me on this proposed letter for NDN publication.

2. On the issue of Soetoro-Obama's posted birth certificates being electronic forgeries:

<http://www.mcsoccp.org/joomla/> and <http://www.carlgallups.com/zullo-affidavit.pdf>

NDN may call Sheriff Arpaio and LT Mike Zullo at Maricopa County Sheriff's office at TEL (602) 876-1801 See also this: <http://www.redflagnews.com/headlines-2015/trump-obama-refused-50-million-dollar-offer-to-see-his-college-records-video> and this by a Columbia

University classmate of "ghost student Obama": <http://rootforamerica.com/ben-carsons-college-claims-vs-obamas/> and this by a former teenage acquaintance of "Pogollo Soetoro" growing up in Hawaii, Mia Marie Pope (whom I have talked to in 2014 and 2015)

<https://www.youtube.com/watch?v=Uy2K5SIuK2E>

NDN may also call Linda Jordan at TEL 206-723-6471, whom I have talked to in 2014 and in 2015, who discovered Soetoro-Obama's social security number was not issued to him and can not pass E-verify <http://www.birtherreport.com/2014/11/failed-e-verify-letter-to-obama.html> .

Like all information floating out on the Internet, one has to decide for themselves what is the whole truth and what is not. I'm accepting the discoveries of professional law enforcement officials (Sheriff Arpaio and Lt Zullo); I'm most comfortable with billionaire Trump offering \$50,000,000 for Obama to release his college records and, then, Obama offered nothing; I'm comfortable with Wayne Root ,who ran for US president, when he says he was in the same exact classes as Obama at Columbia University 1981- 1983 and yet he never met Obama; and finally, as a licensed professional engineer in 5 states with 40 years of truth-seeking structural engineering practice ensuring that my overhead structures did not collapse on inhabitants, I have to go with my own judgement that all that I have read/discussed/pondered on Soetoro-Obama's birth certificate issue since 2011 = Soetoro-Obama's birth certificates, social security number, selective service form, Illinois law license application et al are fraught with fraud.

What incentive do law enforcement professionals have in going to Hawaii and Congress et al and spending many months investigating Soetoro-Obama, holding press conferences in front of anxious disbelieving critics, and then just making things up for public consumption?

What incentive does super savvy Donald Trump have in risking political capital in offering \$50,000,000 to Obama in exchange for Obama's sealed college records, and also declaring publically he does not know for certain where Obama was born?

What incentive does classmate Wayne Root have in risking his credibility in releasing Internet videos since 2009 stating he never saw Obama in any of his poli-sci/pre-law classes at Columbia University?

Why did former Army flight surgeon LTC Terry Lakin, MD lose his military pension after some two decades of service, lose his officer's commission and serve 5 months in prison if not for his (futile) audacity of hope that Soetoro-Obama would simply produce a verifiable bona fide birth certificate? <http://www.birtherreport.com/2015/02/dr-terry-lakin-congressmen-admitted.html>

My belief is, these conscientious out-in-the-open professionals are sincerely seeking the truth and truthfully expressing their discoveries to the American public as a matter of public safety.

As far as "fact check organizations" who pop up debunking any of this, who may be funded by communist George Soros or Ayers-Obama's Annenberg Foundation et al, I place zero credence in these come-and-go organizations, BECAUSE THEY LIKELY HAVE AN INCENTIVE TO GENERATE DISINFORMATION TO SAVE SOETORO-OBAMA AND HIS RADICAL SOCIALIST AGENDA.

No other president in my 66 years inside USA has such a cloud of suspicion relative to his sealed records of origins and his full identity; the actions of this particular so-called president reveal to me a brain of an innately criminal-thinking criminal-behaving lying deviant insincere anti-American person. That's not my political opinion speaking, that previous sentence is just observations of reality.

>>>Anyway, I have CC'd this FACT FINDING e-mail to those nation-wide whom I trust to be sincerely agrieved in not knowing the full ID and full life history of Soetoro-Obama; PERHAPS THEY WILL ADD THEIR UP-TO-DATE FINDINGS TO THIS EFFORT.

3. I have called Rep. Curt Clawson's office in Naples at least twice this year; once I talked to a young lady and another time I talked to Curt's assistant, Jesse Purdon. In addition I have sent several e-mails of my writings to Rep. Clawson and Jesse Purdon this year. I recall asking Jesse to be sure Curt gets my e-mails. Some e-mails get delivered to Curt's e-mail address and occasionally get bounced back with a note that his e-mail box may not be attended.

>>>A. I will forward some said previous e-mails to letters@naplesnews NDN as proof those e-mails were directed to Curt and Jesse during 2015.

>>>B. I will call Curt's Washington,DC office and his Naples office this week to leave message he is to identify Barry Soetoro-Obama for some 320,000,000 Americans as should have been done in 2008; I'll get back to letters@naplesnews when these office calls have been completed.

Why are we even having this conversation after Soetoro-Obama has been in office since 2009? ANSWER: We still truthfully do not know the full verifiable ID and full verifiable life history of Barry Soetoro-Obama (do you know how he or others paid for his college tuition as a foreign exchange student? Do you know why he has a stolen social security number? Do you know why he factually lied about events in his narrative, Dreams from My Father? Do you know how and why he traveled to Pakistan on an Indonesian citizen passport? Do you know why no marriage license has ever been produced between his narrative dad and mom?) and this full identification information is the inalienable rightful intellectual property of some 320,000,000 American citizens and the necessary intellectual property of millions of trusting voters. Who decided some 320,000,000 American citizens do not have to know, and will be formally kept from ever knowing, the full identification of the keeper of the keys to America's nuclear arsenal? What Constitutionally empowers our temporarily empowered oath-taking members of Congress to spend trillions of our heart-earned tax dollars recklessly on any so-called president whose full identity they do not even know or criminally on any so-called president they know for certain is not Constitutionally eligible to even be a president? Knowledge is Power to We the People and Ignorance is Power to criminals!

Let's do this fact-finding exercise like open-minded professionals so that this letter can be published with confidence.

This letter is not about those who have expended many of their limited heartbeats seeking and speaking the truth on this presidential ID matter or about NDN or about me, rather, this letter is intended to be a public safety announcement declaring that some 320,000,000 Americans have been intentionally robbed of something that is always rightfully theirs, namely, the full verifiable ID and the full verifiable life history of any presidential candidate and any incumbent president. In this case, I believe the leaders of our own federal government have pocketed trillions of our heart-earned tax dollars and willfully decided to misbehave amongst themselves, causing undue harm and humiliation, as it turns out, to America and humanity 08-28-08 to 2015.

Thanks again,
