**FOR IMMEDIATE RELEASE  
ACTION ALERT**

## **MASS IMMIGRATION: A Smoldering German Volcano**

**October 20, 2015 – Don Hank reports:** *Our thanks to Dr. Clifford for this news item. I believe I may have sent this item to this group earlier. However, I want to reiterate that I checked out the links and they in fact do open to German-language reports that confirm what is written here. I had also said that if these reports came from high-profile sources such as Die Welt, then they are only the tip of the iceberg because Germany is, and has been at least since the 3rd Reich, one of the most heavily muzzled countries in Europe (along with France).*

*Yesterday I watched a talk show on Deutsche Welle (DW) in which this topic of crime among immigrants was raised. The only person with the courage to mention this was a prominent member of AdF (Alternative für Deutschland, a political party that is growing in popularity). This mild-mannered man was constantly interrupted by the other guests and was held to scorn. Some of the other guests claimed there was not a shred of evidence to suggest that there was a higher rate of criminality among immigrants than among the general German population. As a reference point, note that Sweden had almost a zero rape rate before the Muslim immigrants started pouring in around the time of the Iraq war. Now Sweden is said to be the rape capital of the world and almost every rape is attributed to a Muslim immigrant.*

*On this show, German Justizminister Heiko Maas, a particularly fawning and insignificant individual who defends the Reich's draconian policies, warned the AfD man that some of the things he was saying might be criminal since they could incite rioting! In other words: Ve have vays of making you not talk.*

*A young Muslim journalist was interviewed who had been sent to Dresden to report on the anti-invasion rally held by Pegida. This effeminate young man (a high percentage of TV reporters speak with an effeminate accent now) was whining that he was shouted down by the Pegida members when he asked questions, such as "what are you afraid of" (suggesting that people who oppose mass migration must be harboring irrational fears)? When you consider the way people like the AfD rep was treated on the talk show, it is no wonder people with legitimate questions about immigration and crime are angry and frustrated.*

*Germany is like a smoldering volcano. Merkel's popularity is plummeting.*
