**FOR IMMEDIATE RELEASE
ACTION ALERT**

SELFISH BABY BOOMERS Of 2008 -2015

October 28, 2015 – Jonathan David Mooers writes the following:

“...trying to impeach a thoroughly corrupt IRS boss instead of Obama is likely just a distraction that won't gain traction. But it does keep the impression in the public mind, at least, that the Obama Regime is corrupt with much more than a smidgeon of corruption. Impeachment of anyone lower than Obama himself is like attacking the symptom, not THE PROBLEM.”

“I'm ashamed of Baby Boomers, even though I am one myself. Boehner, Gowdy and O'Reilly just pursued paychecks 2008- 2015 in their adequately empowered positions that could have halted, defunded, identified and possibly arrested Obama for the benefit of 320,000,000 betrayed Americans.”

“Rep. Atty. Trey Gowdy could still work closely with Tom Fitton/Judicial Watch and speed up Benghazi investigation to indict Hillary-Barry-Valerie, but Trey just seems to sleep listlessly behind the wheel of his Committee. 37 months and counting since 9-11-2012!”

“Traitor Boehner will retire handsomely rewarded for this criminal failures to de-fund his own known non-Constitutional presIDENT.”

“AWOL O'Reilly, when he is not beating his ex and dragging her downstairs by her hair, makes big bucks writing about dead presidents instead of digging-in to identify Obama as a former foreign communist exchange student et al on his Fox News show. On this AWOL alone, FOX= complicit Television Travesty.”

“Allen Bartlett/Naples Daily News won't publish my April letter to inform my local residents about Obama's CONSTITUTIONALLY NULL AND VOID candIDacy-presIDency 2008- 2015. Why? What is he thinking?”

“Rep. Curt Clawson is now a card-carrying suck-up to his Congress of Criminals 2008-2015; an "insider" since January 2015; won't identify his own Thief-in-Chief as he would rather bow to this harmful national fraud, Obama, instead.”

“Acting-President Donald Trump only has to keep dropping hints that Obama is an unvetted non-Constitutional presIDENT with forged birth certificates, or come right out and declare this fact, but he hasn't. Waiting for the opportune time (?), his team indicates. So, Americans will have to needlessly suffer more lies, lawlessness, national debt, harm and humiliation from now until January 2017!”

“Romney and McCain didn't contest Obama's forged IDs and paid-to-play with Obama instead = and they both lost big bucks big time.”

“And so on.”

“These Baby Boomers et al, with the possible future exception of Trump and Gowdy, openly evade and cover-up Obama's many failures to follow the Constitution under oath with impunity; they evade or ridicule anyone who pins them down in public about Obama's forged birth certificates, stolen Social Security number, forged Selective Service form, foreign non-citizen dad, et al.”

“1787- Selfish Baby Boomers of 2008- 2015 = The time span of humanity's independent self-governance experiment? Sure looks that way as Obama's hijacked USS TITANIC PANIC keeps sinning and sinking America in its own unsustainable debt unchecked.”

Jon Mooers, 1949 Baby Boomer
