awake to a sense of your awful situation

**FOR IMMEDIATE RELEASE  
ACTION ALERT**

## **8 LEVELS To Create a Socialist State**

**September 11, 2015 – The American Resistance Party received an email today titled, “How to create a socialist state.” It was suggested that there are 8 levels to do so:**

*There are 8 levels of control that must be obtained before you are able to create a socialist (aka Marxist) state.*

*The first is the most important.*

- 1) Healthcare — Control healthcare and you control the people*
- 2) Poverty — Increase the Poverty level as high as possible, poor people are easier to control and will not fight back if you are providing everything for them to live.*
- 3) Debt — Increase the debt to an unsustainable level. That way you are able to increase taxes, and this will produce more poverty.*
- 4) Gun Control — Remove the ability to defend themselves from the Government. That way you are able to create a police state.*
- 5) Welfare — Take control of every aspect of their lives (Food, Housing, and Income).*
- 6) Education — Take control of what people read and listen to — take control of what children learn in school.*
- 7) Religion — Remove the belief in the God from the Government and schools.*
- 8) Class Warfare — Divide the people into the wealthy and the poor. This will cause more discontent and it will be easier to take (Tax) the wealthy with the support of the poor.*
