ACTION ALERT**

BARRY SOETORO Guilty of destroying classified documents

September 2, 2015 – Under the Constitution, the President of the United States determines U.S. foreign policy. The Secretary of State, appointed by the President with the advice and consent of the Senate, is the President’s chief foreign affairs adviser. The Secretary carries out the President’s foreign policies through the State Department and the Foreign Service of the United States.

US Constitution Article II, Section 2, Clause 1: "... may require the Opinion, *in writing*, of the principal Officer in each of the executive Departments, upon any subject relating to the Duties of their respective Offices..." and then Clause 2 states the President, "... shall have Power, by and with the Advice and Consent of the Senate, to make Treaties, provided two thirds of the Senators present concur; and he shall nominate, and by and with the Advice and Consent of the Senate, shall appoint Ambassadors, other public Ministers and Consuls ..."

The former Secretary of State, Ms. Hillary Clinton was in the employment of her crime boss, Mr. Barry Soetoro. The felonies that she committed while she filled the office of Secretary of State made Mr. Soetoro a co-conspirator of each and every felony. It is a crime (18 U.S.C. section 1519) to destroy even one message to prevent it from being subpoenaed. Since the Secretary of State is required to correspond with the President "in writing" ANY CORRESPONDENCE public or private written on government property is the sole responsibility of the President and no one else.

If Soetoro’s Secretary of State email server was stored in Ms. Clinton’s living quarters, any breaches in Federal Law falls directly on his shoulders. He is a conspirator of destroying any classified documents that Ms. Clinton eradicated!
