**FOR IMMEDIATE RELEASE
ACTION ALERT**

**“Worst Congress, Supreme Court,
& White House of My Lifetime”**

September 25, 2015 – Edward C Noonan, Founder and National Committee Chairman of the American Resistance Party states, “This is the worst Congress, worst supreme court, and worst white house of my lifetime. It is GOOD the bogus speaker of the House is stepping down for all the treason that he has committed.”

“Boehner has known that Barry Soetoro (aka BHO) is not a citizen of the United States since 2009. Yet still, he has preferred treason over doing the right thing and investigating the charges leveled against the Muslim Sodomite illegal alien that has resided in the white house for the last 7 years.”

Noonan also states that Boehner is not quitting his post as the illegitimate House Speaker (there can be no legitimacy when a Kenyan/Indonesian citizen squats in the white house) because of great sorrow for his actions of allowing a Muslim sodomite reside in the people's white house, but instead, Boehner is running to hide his crying eyes from the upcoming calamity that is about to happen in October 2015.

“Boehner’s resignation precedes the upcoming changing to the International Dollar Standard... I don’t want to be a scare mongers but there is a lot of writing about the collapse of the dollar based on the International Monetary Fund’s after October 20th of this year. The continuing story is that China will move in and replace the U.S. Dollar as the world reserve currency causing an apocalyptic collapse of the dollar and our way of life. It’s true that China is pushing to have their currency officially included in the basket of world reserve currencies (called Special Drawing Rights or SDRs) managed by the IMF and I suspect the impact will be extremely devastating to all citizens of the world. And it is Boehner (and his buddies Soetoro and McConnell) that has ushered in this upcoming devastation!”

The American Resistance Party applauds the resignation of Speaker Boehner!
