**FOR IMMEDIATE RELEASE
ACTION ALERT**

COMMUNISM & SOCIALISM Is not Compatible with Liberty

September 28, 2015 – Socialist Barry Soetoro, Socialist Senator Bernard Sanders, Socialist Hillary Clinton, and (almost Socialists) Jeb Bush, Lindsay Graham, Carly Fiorina and others in the GOP are people who are seeking the office of POTUS. None of these people have political actions which are compatible with the Declaration of Independence. Communism and Socialism are not compatible with Liberty...

*"We hold these truths to be self-evident, that **all men** are created equal, that **they are endowed by their Creator** with certain unalienable Rights, that among these are Life, **Liberty** and the pursuit of Happiness. That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, **That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness.** Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. **But when a long train of abuses and usurpations,** pursuing invariably the same Object evinces a design to reduce them under **absolute Despotism,** it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security."*

SOCIALISM: A forced political and economic theory of unchristian social organization that advocates that the means of production, distribution, and exchange should be owned or regulated by a central government as a whole. A national highway system or Obamacare are examples of socialism. The imposing of Sharia Law and sodomite marriage by the courts on America is another example! Taxation of 30%+ is another.
