awake to a sense of your awful situation

**FOR IMMEDIATE RELEASE
ACTION ALERT**

RE: "WHY THE SUPREME COURT Is Not Supreme"

September 1, 2015 – minutemennews.com posted an article this week titled, **"Why the Supreme Court is NOT Supreme"** It was penned by J. Matt Barber. He states:

*"To vocal opponents of judicial activism, this comes as little surprise. **The U.S. Supreme Court has suffered a major credibility blow in the wake of its politically motivated 5-4 Obergefell v. Hodges "gay (sodomite) marriage" opinion.** In it, they presumed to do the impossible – both redefine the age-old institution of natural marriage and to give this fictional definition precedent over freedoms actually enumerated in the Bill of Rights. According to Rasmussen, **only "36 percent of Likely U.S. Voters still think the high court is doing a good or excellent job."**"*

The [American Resistance Party](http://AmericanResistanceParty.com) declares that the minutemennews.com article fails to address the fact that the U.S. Supreme Court no longer has any constitutional authority to act as a constitutional organization. The 2012 *Noonan v Debra Bowen* law suit was brought against the candidacy of Mr. Barry Soetoro (aka BHO) who was an illegal alien who was running for POTUS. The case was dismissed when the court declared that Ms. Debra Bowen (the then Secretary of State of CA) did not have a constitutional duty to uphold the Constitution. Then the CA Appellate Court, the CA Supreme Court and then the U.S. Supreme Court agreed with the original Sacramento judge. They all declared the US Constitution and the California Constitution was NOT the supreme law of the land and only "their" decrees were to be followed. These courts proved to be the pawns of foreign-bankster-forces that enslave all American.
