6 DEAD AT BUSH ELECTION RALLY!**

January 16, 2016 – FACEBOOK EXCLUSIVE: 6 DEAD AT BUSH ELECTION RALLY!

Dateline...Iowa City, Iowa

Authorities responded to a 911 call today at 'Freddy's Bar and Grill' in downtown Iowa City where six people were found dead after a Jeb Bush election rally. The call was made by a member of the Jeb Bush campaign team. When authorities arrived, they found that six of Governor Bush's supporters had passed away from unknown causes. Tillman Hurly, an EMT on scene stated that he was stumped. "There was no trauma to any of the bodies, no wounds and not a single sign of illness of any kind". Governor Bush was holding one of his largest rallies to date numbering in excess of 25 people. Lamar Gets, owner of 'Freddy's Bar and Grill' said that they had exceeded the legal seating capacity of 20 people and feared that something like this would happen.

An unidentified spokesman for the local police told this reporter that the preliminary medical investigation shows that the six Bush supporters were 'bored' to death. When I asked him what he meant by that, he answered... "No, ...you don't understand, they actually died of boredom" he went on to say "At first we thought that Bush simply put them to sleep with his flat voice droning on and on, but in reality, they actually just died from it". In a similar story, during a recent campaign stop, Senator Bernie Sanders was thought to have died during one of his campaign rallies, but when he awoke several hours later, it became evident that he had just fallen asleep.

This comes as a staggering blow to the Bush campaign, as now this tragedy will bring the actual numbers of Bush voters nationwide to 28. The RNC was quick to do damage control and donate another 50 million to the Bush campaign in a plain brown envelope wrapped in a newspaper and declare him the front runner in spite of the actual truth. When asked how they can lie to the American people like that, a spokesman for the RNC simply said that "If Obama can live in his fantasy world, we can live in ours". Before leaving Freddy's Bar and Grill, Governor Bush was asked if he could comment on his abysmal ranking in the polls. The Governor stood quietly for a few moments with a blank stare on his face before breaking out in tears while he threw himself on the floor screaming "Not fair, my Daddy said I could be President" followed by "My big brother Georgie promised that they all agreed in 2016 that my turn would come next and not that fat skank Hillary".
