**FOR IMMEDIATE RELEASE
ACTION ALERT**

**TED CRUZ -
"Part Canadian Alien" Not Natural Born!**

January 9, 2016 – More lies from breitbart.com today! They posted an article titled, "Exclusive: 1974 Canadian Electors' List Named Ted Cruz's Parents." They report:

"A document uncovered by Breitbart News indicates that the parents of Sen. Ted Cruz (R-TX) were named on a Calgary list of electors for Canada's federal election of July 8, 1974.

Ted Cruz's parents are listed as "Cruz, Eleanor, Mrs." and "Cruz, Raphael, self employed," both at 920 Riverdale Avenue, South West in Calgary, Alberta.

Canadian law restricts (and restricted) federal voting rights to Canadian citizens."

This Breitbart News of "Canadian Electors" list showed the Cruz family as:

920	Cruz, Eleanor, Mrs.	183
920	Cruz, Raphael, self employed.	184
921	Arky Rosa, self employed	185

Breitbart.com tried to imply that just because their name was on the list, didn't especially make them "Canadian voters." But this official "voter list" stated:

*YOU MAY VOTE AT THE ADVANCE POLL
(1) if your name appears on the list of electors prepared for your polling division;*

See also the CERTIFICATE notice which says:

*I hereby certify that the list printed hereunder is the **preliminary list of ELECTORS** for the urban polling division No. 121 of the electoral district of Calgary South as prepared by the enumerators in connection with pending federal elections.*

This clearly shows that Ms. Cruz MAY HAVE given up her American citizenship since it clearly shows she registered to vote in the Canadian Federal election. So, unless she committed a Canadian felony, and committed fraud by registering to vote as an illegal, this needs to be investigated. Of course, all of this needs to be PROVEN one way or another by any POTUS candidate prior to running for the office. He needs to prove without a shadow of a doubt that he is eligible to run for any office PRIOR to running for that office. Cruz needs to prove that he NEVER became a Canadian citizen. If he was born in an alien country then he CANNOT be a natural born citizen.

And [Breitbart.com](http://www.breitbart.com) further lies by stating the following:

“And as described above, Eleanor never relinquished her citizenship, so she was a U.S. citizen when Senator Cruz was born, and he is a natural-born citizen under the Constitution.”

And it is clear TED CRUZ was born in Canada so [breitbart.com](http://www.breitbart.com) has no legal authority to declare that Cruz “is a natural-born citizen.” As usual, it is clear that they are just another one of those “domestic enemies” (to the constitution) and are merely attempting to brainwash the uninformed sheeple that populate this land.

Read the entire article at:

<http://www.breitbart.com/big-government/2016/01/08/ted-cruz-parents-canada-voters-list/>

And, [BirtherReportDotCom](http://www.BirtherReportDotCom) posted this 2013 CNN youtube video. CNN got on the bandwagon since this does not focus on their darling, OBAMA. The video was titled, “*CNN Goes Birther On Ted Cruz: After Four Years They Mention Natural Born Citizen.*”
