**FOR IMMEDIATE RELEASE  
ACTION ALERT**

**LISA HAVEN ASKS:  
'Civil War in 2016?'**

**January 4, 2016 –Lisa Haven writes:**

*So how close are we to a civil uprising, revolution, or coup here in America? According to a latest poll put out out by YouGov 29% of American's support a military Coup that would seize control of the federal government. It also revealed that Republicans are twice as likely then Democrats to support the coup.*

*With that in mind, how close are we really to some sort of civil uprisings? Well, do I begin with the fact that our government is secretly preparing for all hell to break loose by doing massive military drills across the nation? Or do I begin with the fact that the US government is supporting a UN Arms Treaty putting major limitations on our guns? Or do I start with the fact that our government has documentation creating FEMA camps and preparing our soldiers for martial law? Or the fact that they issued a bulletin attacking patriots? Or? Or? Or? The list is almost endless! Maybe this is the reason why 29% of American's are so upset with what is happening in our government. After all I'm not happy with them either. That said, I can't help but ask the question of how close are we to a second civil war here in America?*

*In the video below I delve though all that and more! I discuss whats happening in Oregon as 150+ militia members and patriots stand in stark opposition to what the Feds are doing to the Hammond's, I show how ~~President Obama~~ (Soetoro) promises to add restrictions to guns this January and a chilling House Resolution that should needs to go viral! Please don't miss this critical report...*
