**FOR IMMEDIATE RELEASE
ACTION ALERT**

BLM/FBI/COPS MURDERS ONE & Eight Constitutionlists Arrested

January 27, 2016 – sonsoflibertymedia.com reports LaVoy Finicum murdered and:

“Among those arrested during the stop were Ammon Bundy, Ryan Bundy, Brian Cavalier, Shawna Cox and Ryan W. Payne. Joseph Donald O’Shaughnessy and Pete Santilli were also arrested later, and Jon Ritzheimer was arrested in Arizona, following his surrender.

Sadly, they are all being charged with federal felony charges that are based on unconstitutional agencies and activities.

“All of the named defendants face a federal felony charge of conspiracy to impede officers of the United States from discharging their official duties through the use of force, intimidation, or threats, in violation of Title 18, United States Code, Section 372,” read the statement from Beth Anne Steele from the FBI Portland office. “All defendants should be presumed innocent until proven guilty.”

The charges of conspiracy to impeded officers of the united States from discharging their official duties, through the use of force, intimidation or threats is ridiculous. No officers were on duty at the Wildlife refuge! No one was hindered in any way. The only ones who have actually used force, intimidation and threats have been Sheriff David Ward and the feds. The ranchers have all sought to deal with the constitutional issue that deals with where federal control of land exists.

The standoff had lasted 24 days and during all of that time, the ranchers had openly stated over and over that they were not desiring to use their weapons and that they would only use them defensively.”
