**FOR IMMEDIATE RELEASE  
ACTION ALERT**

**DEMOCRATS (& REPUBLICANS):  
Lily-livered, Weasel-assed Collaborators**

**February 27, 2016 - [freedominthenews@reagan.com](mailto:freedominthenews@reagan.com) forwarded to the **AMERICAN RESISTANCE PARTY** this email with the subject line: **"A FEW THINGS LEARNED WATCHING THE MAIN STREAM MEDIA COVER THE DEMOCRATS' DEBATE"****

- *Black lives matter. All other lives apparently do not.*
- *College should be free and all student loans need to be canceled.*
- *All medical treatment should be free, except for the very rich. (the very rich being someone who has more money than you)*
- *Drugs should be legal and we should authorize billions of dollars to create treatment programs for drug addicts.*
- *If you are human and breathing within our sovereign borders, there are no rules, so to become an American Citizen, just get here any way you can.*
- *The economy sucks and after 7 years in office, promulgating 7 years' worth of Marxist domestic policy, it's not Obama's fault.*
- *The middle class is shrinking and after 7 years in office, it's not Obama's fault.*
- *The average American family income has dropped dramatically during the last 7 years with Obama in office, but it's not Obama's fault.*
- *Hard working successful people need to share 3/4's of what they earn with lazy, un-educated, low-lives who feel everyone owes them a living.*
- *Hispanic youth unemployment is over 35% and after 7 years in office, it's not Obama's fault.*
- *90 million people between the ages of 18 and 65 are not working and cannot find a job, yet unemployment is below 5%!*

- *Islamophobia is a terrible thing. Muslims helped build America! (?)*
- *Blood-thirsty Terrorists are just the JV team.*
- *Climate change (changed from Global Warming) is our greatest National Security threat.*
- *We should provide financial incentives for people not to commit crimes... of course, this gives .a new meaning to the phrase; "catch me if you can"!*
- *50% of our population is paying 100% of all the taxes -- and they are still considered not paying their fair share.*
- *Government wants more money to squander on promises already broken, as well as on proven wasteful spending.*
- *The word "Progressive" is less cringe-worthy than saying you're a Liberal, or a socialist, or a Marxist, or a DEMOCRAT, OR A COMMUNIST.*
- *When America completes "The change", we will be like Norway, Sweden or The Netherlands; maybe eventually, we can achieve being like Venezuela, Mexico, Cuba, Syria, Libya or Afghanistan.*
- *There's a quagmire in Iraq, Syria and the Middle East; but Obama's cowardly retreat from the area has "nothing to do" with the situation.*
- *Snowden and General Petraeus broke US laws for releasing and not securing secret documents, but Hillary Clinton shares absolutely no responsibility for doing the same, but with Top Secret information; and furthermore, she deserves to be President.*
- *If Hilary is elected, everything will be rainbows and Unicorns - just like the HOPE AND CHANGE that Obama gave us.*
- *Hillary Clinton not only walks on water but is also fortunate to have Bill for a husband who can guide her when she becomes President.*
- *Hillary stated that "she has tried to never lie to the public".*
- *Evil looks like anything white, rich, successful and productive, or associated with the US military.*
- *If you lose the Super Bowl and pout, walk out, dab your eyes and are black, it is OK.*
- *BUT, if you expect class and good sportsmanship, you are RACIST!*
- *Last, but certainly not least that I learned from the Democrat Debate -*
- *EVERYTHING IS STILL ALL GEORGE W. BUSH'S FAULT AND --REPUBLICANS/ CONSERVATIVES ARE DESPICABLE PEOPLE!*

*Was there anything that I missed? Now, what did YOU learn?*
