HILLARY CLINTON Nasty to Secret Service and Military

February 10, 2016 – discoverthenetworks.org has a well stocked dossier on Hillary Clinton. One section titled “Hillary's Nasty, Disrespectful Treatment of Secret Service & Military Personnel” reports:

In his 2014 book [The First Family Detail](#), bestselling author [Ronald Kessler](#) writes that during Mrs. Clinton's years as First Lady, she was known and despised by Secret Service agents and military personnel for the nasty treatment, explosive temper, and imperious attitude she conveyed toward them. “Agents say being on Hillary Clinton’s detail is the worst duty assignment in the Secret Service,” writes Kessler. “Being assigned to her detail is a form of punishment.” In August 2014, the [Daily Mail](#) provided the following details from Kessler's book:

- “We were basically told, the Clintons don’t want to see you, they don’t want to hear you, get out of the way,’ according to a former Secret Service agent.”
- “She didn’t like law enforcement officers or the military, former Secret Service agent Lloyd Bulman stated. ‘She was just really rude to almost everybody. She’d act like she didn’t want you around, like you were beneath her.’ She went years without speaking to some agents.”
- “In response to a cheerful ‘Good morning, ma’am,’ by a former uniformed officer, Hillary’s response to him was ‘F**k off.’”
- “While publicly courting law enforcement organizations, privately she felt disdain. She wanted state troopers and local police to wear suits and drive unmarked cars. No military aides could wear their uniforms in the White House. If agents driving her went over a bump, she’d swear at them.”
- “Glad-handing on the road on her Senatorial campaign, when they arrived at a 4-F Club in the land of dairy cows in upstate New York, she saw cows and people in jeans. That enraged her and she asked a staffer, ‘What the f*** did we come here for? There's no money here.’”

“White House deputy counsel Vince Foster, who committed suicide in June 1993, was on the receiving end of a virulent verbal attack by Hillary. She disagreed with a legal opinion he made and humiliated him in a meeting, stating he would never be more than a hick-town lawyer and wasn’t ready for the big time. ‘The put-down that she gave him in that big meeting just pushed him over the edge’, [former FBI agent Coy] Copeland says. She blamed Foster for all of the Clinton's problems and stated he had failed the couple....” [end quote]
