**FOR IMMEDIATE RELEASE  
ACTION ALERT**

## **CHINA WINNING WAR Without Ever Firing A Shot**

March 14, 2016 – The [American Resistance Party](#) warns that the world is run by three entities: USA, USE (united states of Europe), and CHINA. But China is quickly taking over much of the United States. Currently China owns \$1.3 Trillion of our national debt. China has made \$17 billion in US investments. China has made \$22 Billion in US real estate deals (especially in Manhattan, L.A. and the SF Bay Area). In addition China has made significant bids in Chinese Construction on major infrastructures. The 2012 new Bay Bridge between Oakland and S.F. was snagged by the Chinese and much of the material for the bridge was shipped from China. The NY City Subway was outsourced to Chinese Companies. \$70 Billion in U.S. funds have been lost to China. China is taking over the U.S.A. without ever firing a shot! But the sabers are rattling:
