2000 CONGRESS: Dump "Natural Born Citizen" Limits

March 29, 2016 – The [American Resistance Party](#) posts a video that was filmed on JULY 24, 2000 by CSPAN, titled, "Presidential Requirement Amendment Committee members heard testimony on H.J.Res. 88" It was the hearing on a proposed amendment to the Constitution that would allow a person who has been a United States citizen for 20 years to be eligible for the office of president of the United States. Currently, the Constitution limits the office to "natural born" citizens.

In this video the homosexual congressman Barney Frank states, "In our entire history we have had not examples of an elected official of being planted from overseas..." **Frank must be totally insane to state such concept. The entire idea of the FEDERAL RESERVE SYSTEM is nothing more than international bankers controlling every aspect of our banking system and business environment. See the video below:**
