FOR IMMEDIATE RELEASE ACTION ALERT

HILLARY RODHAM CLINTON Marxist Nightmare-Stalking-America

March 12, 2016 – The <u>American Resistance Party</u> offers this photo essay proving Hillary Rodham Clinton is a die-hard Marxist nightmare-stalking-America:

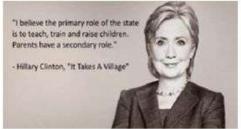

July 8, 1971 letter: "Dear Saul, When is that new book [Rules for Radicals] coming out—or has it come and I somehow missed the fulfillment of Revelation? I ... need some new material to throw at people."

- 1968; Hillary Rodham wrote her Wellesley College thesis on Saul Alinsky and met with him personally on several occasions.
 1969; Hillary Rodham entered Yale Law School, during which time she wrote a chummy letter to Alinsky that came to light in 2014.
 It demonstrates that she considered him an important mentor and that she was deeply committed to his radical political philosophy.
- 1971: Hillary Rodham interned at a law firm known for its radical politics/clients (Black Panthers)
