**FOR IMMEDIATE RELEASE  
ACTION ALERT**

## U.S. ISIS TERRORISTS Planning U.S. Nuclear Attacks

March 25, 2016 – The [American Resistance Party](http://www.americanresistanceparty.org) reports that Mike Adams posted on the [thecommonsenseshow.com](http://thecommonsenseshow.com) webpage the following: "We've just learned from the Daily Mail that the ISIS terrorist bombers in Brussels planned to attack a nuclear power plant. The terrorists had been staking out the home of the nuke plant director, whom they planned to kidnap to gain access to the power plant.

**"The Brussels terrorists were preparing an attack on a nuclear power plant and had recorded 12 hours of reconnaissance footage,"** reports the online paper. "Hours of film of the home of the Research and Development Director of the Belgian Nuclear Programme were discovered in an apartment in Brussels raided by anti-terrorist police following the attack in Paris." What's the goal of all this? It's obvious: **The terrorists hoped to cause a nuclear meltdown in Brussels and unleash a nuclear holocaust in the heart of the EU.** And according to the politically correct delusional bureaucrats running governments and media outlets, this is all our fault because we did something to make the terrorists angry. (Yes, indeed, the terrorists are never responsible for

their own actions... at least, according to the lunatic mainstream media.)"

**Adam also writes:** "Thanks to the complete lack of border security in America — due to deranged, insane politicians who desperately need more illegal voters to enter the country — **we also know that ISIS terrorists have already entered the USA and are likely planning the same sort of attacks here.**"

The [American Resistance Party](http://www.americanresistanceparty.org) recommends all to be alert and watchful. **Resistance** against the Muslim threat and ISIS terrorism is the watchword of the day!
