**FOR IMMEDIATE RELEASE
ACTION ALERT**

THREAT OF NUCLEAR ATTACK Gets Real...

March 2, 2016 - Lisa Haven has uploaded her Youtube video titled, "Threat of Nuclear Attack Gets Real Says Pentagon Chief: Alerts Broadcast Worldwide! What Do They Know That We Don't?" Haven reports:

"The threat of nuclear war has always been a constant looming thought in the back of our minds, however more recently William Perry, a former US defense secretary who worked in the Pentagon from 1994 to 1997, stated that, "the probability of a nuclear calamity is higher today than it was during the cold war. A new danger has been rising in the past three years and that is the possibility there might be a nuclear exchange between the United States and Russia ... brought about by a substantial miscalculation, a false alarm." See video here:
