**FOR IMMEDIATE RELEASE  
ACTION ALERT**

## **AMERICAN BAR ASSOCIATION 'Down On Christians'**

**April 15, 2016 – Mathew D. Staver, of the [Liberty Counsel](#) writes the following:**

*"Because of the Supreme Court's disastrous opinion on same-sex marriage, people of faith are now facing a rising onslaught of extremism and the bludgeoning of their religious liberties. Making matters worse is the fact that the American Bar Association is now trying to take away the religious rights of lawyers and Christian public interest law firms who are defending them.*

*Please read my urgent alert below, and consider taking action with me to counter this latest attack on our rights as believers –Mat.*

+ + + + +

*Here is an alarming example of how the Supreme Court's disastrous marriage opinion is putting a deep chill on free expression and religious liberty in America.*

*The American Bar Association (ABA) is considering making it unethical to discriminate against those who claim a transgender identity or who are "married" to someone of the same sex. The ABA creates model ethical standards for attorneys and establishes accreditation standards for law schools. If the ABA adopts the proposed policy, law schools will immediately be impacted. And if the ethical standards are adopted at the state level, a violation of those standards could cost a lawyer his or her license."*
