**FOR IMMEDIATE RELEASE  
ACTION ALERT**

**MISSION IN LIFE:  
Extinction of Republican Party**

April 12, 2016 –Statement of **EDWARD C NOONAN, 2016 Presidential Candidate**

**My mission in life is the complete extinction of the corrupt Marxist/Democrats and the Socialist-lite Republican Party! They are in violation of law (50 US Code § 841).**

**We need to shut down the entire federal government (which has been the platform of each of my previous political campaigns for nearly 15 years). I would begin with the Federal Reserve, CIA, DoD, NSA, and VA for starters. These evil agencies are housed under the office of the POTUS and not under the Constitutional placement of CONGRESS. Article 1 of the Constitution mandates what/who the Congress is to have oversight over. There is no constitutional authority for the present Presidential agencies. PERIOD! And these *de facto* agencies began with the help of the GOP!**

**All persons that are employed by any federal agency are traitors to the constitution! They need to be arrested and imprisoned. After rounding up the political criminals, starting with Nancy Pelosi, Harry Reid, Paul Ryan, Mitch McConnell, John Roberts, Ruth Ginsberg etc, etc, I would shut down the Supreme Court and all Federal Courts and arrest every employee and Justice and Judge therein. We have a government that's so completely criminally bankrupt we may never be able to ferret out all the desecration. We would have to make 25 of the present U.S. States a vast colony for all the anti-constitution-prisoners.**

**And the corrupt, pro-Marxist news media must have their FCC licenses banned. Their lies, falsehoods, and propaganda have made them co-conspirators against the TRUTH.**
