**FOR IMMEDIATE RELEASE
ACTION ALERT**

**JUSTICE RUTH GINSBURG
Doesn't know the US Constitution!**

April 04, 2016 – The [American Resistance Party](#) has received the report that the [washingtontimes.com](#) has printed an article titled, “Supreme Court rules in redistricting case: Illegal immigrants, other non-citizens can be counted.**” They state:**

*"A unanimous Supreme Court ruled Monday that **illegal immigrants** and other non-citizens can be counted when states draw their legislative districts, shooting down a challenge by Texas residents who said their own voting power was being diluted.*

The ruling does not grant non-citizens power to vote, but says the principle of “one person, one vote” doesn't require localities to only count those who are actually eligible to vote.

*Justice Ruth Baden Ginsburg, writing for the court, said even though only eligible voters are supposed to cast ballots, **elected officials represent all people within their districts, and it is that act of representation, not the election itself, that the boundaries are drawn to.***

Entire article here: <http://www.washingtontimes.com/news/2016/apr/4/supreme-court-illegals-count-apportionment/>

The [American Resistance Party](#) states that Justice Ginsburg is a traitor to the U.S. Constitution. No where does our founding document state that illegal aliens are to be represented by Texas local officials (or Federal officials). And Justice Ginsberg does not know the US Constitution! Where in the following does it mention illegal aliens?:

*Article IV - The States - Section 2 - State citizens
The Citizens of each State shall be entitled to all Privileges and Immunities of Citizens in the several States.*
