GUN GRABBING GABBY Seeks To Rewrite 2nd Amendment

April 29, 2016 – Statement of EDWARD C NOONAN, 2016 Presidential Candidate:

WESLEY JUHL wrote an article in the [LAS VEGAS REVIEW-JOURNAL](#) titled, "A new gun control campaign is targeting Nevadans."

Juhl's leading two paragraphs were:

"A group founded by former Congresswoman Gabby Giffords, D-Ariz., and her husband, retired astronaut Mark Kelly, is pushing for new laws that would bar people on the terrorist watch list and the no-fly list from purchasing firearms. However, gun rights and civil rights groups continue to raise concerns about due process over those lists."

"The group, Americans for Responsible Solutions, said a majority of Nevadans would support a federal law prohibiting people on the FBI's terrorist watch list or the no-fly list from buying firearms, according to poll results released Tuesday."

The [American Resistance Party](#) condemns the above actions of the former Congresswoman Gabby Giffords. She apparently does not understand the US Constitution nor the Constitution of Nevada. THE CONSTITUTION OF THE STATE OF NEVADA states:

ARTICLE. 1. - Declaration of Rights.

Sec. 11. Right to keep and bear arms; civil power supreme.

1. Every citizen has the right to keep and bear arms for security and defense, for lawful hunting and recreational use and **for other lawful purposes.**

The word "lawful" should be germane here. Only if one's gun use is "unlawful" could our gun rights be taken away... BUT ONLY if "BY DUE PROCESS"! (See Amend 4 & 5)
