**FOR IMMEDIATE RELEASE  
ACTION ALERT**

## **CASTRO vs. SOETORO No Difference!**

April 08, 2016 – The [American Resistance Party](#) reports that on April 5, 2016 [www.reviewjournal.com](http://www.reviewjournal.com) posted an article titled, "**Lawyer asks for Cliven Bundy's release, calls him 'political prisoner'**" They quote Joel Hansen, the attorney for Clive Bundy submitted the following court challenge:

*"Does Mr. Bundy have the right to raise a constitutional question about the legality of the high-handed tactics of the BLM?" Hansen asked in his court papers. "Of course he does — and particularly by **making statements about the actions of the BLM and by the exercise of people's First Amendment right to peacefully assemble and the people's Second Amendment right to keep and bear arms.**"*

*Hansen likened the armed Bunkerville standoff with law enforcement on April 12, 2014, to the Revolutionary War battles at Bunker Hill, Concord and Lexington between American patriots and the British.*

***He also argued that no one from Bundy's side ever fired a weapon or assaulted a federal officer and that the only acts of violence in Bunkerville were committed by federal agents.***

The [American Resistance Party](#) declares that there is **not a "single dime's worth of difference" between the Cuban Castro's regime and the Soetoro's regime in DC.** Both are Communist and unconstitutional! The American Marxist/Democrat party has been in control so long, there is no hope of getting back to a constitutional government. Clive Bundy will surely rot in prison as a political prisoner forever!
